Main screen

Create Advert

The image shows the 'Create Advert' screen of the 'LostandFound' app. It has a purple header bar with the app name. Below the header, there are four white input fields with grey labels: 'Phone Number', 'Description', 'Date', and 'Location'. Below the 'Location' field, there is a dropdown menu currently showing 'Lost'. At the bottom of the form, there is a purple button labeled 'SAVE ADVERT'. The screen is framed by a dark grey border.
